Experience with Samanvaya

A quick word

We've designed these tours to give our guests a more authentic, slower-paced experience — one that steps away from the usual tourist trail. All of our guides come from Sidemen and the surrounding villages, and they love sharing their home, culture, and beliefs with you. Tours can be enjoyed on foot, on the back of a scooter, or in the comfort of our private car.

To enter sacred Balinese sites, a sarong is required. If you don't have one, they're available for purchase at the Kolektif & Co Gallery, just across from Samanvaya.

All tours must be booked in advance, through our reception team at Samanvaya. Cancellations made on the day will incur a 50% fee. Prices are per person unless otherwise stated.

While we take great care in arranging safe and respectful experiences, all tours are undertaken at the guest's own risk. We do not accept responsibility for any injuries that may occur.
