

## ***Our Wine Collection***

At Asri, our wine list is built around balance, a mix of elegance and ease, with wines that are enjoyable to drink and effortless to pair with food. There's a strong influence from our New Zealand and Australian roots, alongside a curated selection from Europe and the New World.

While Bali's climate isn't suited to growing grapes, producers like Two Islands work with premium Australian fruit, blending and bottling locally to create fresh, expressive wines that suit the setting.

From crisp whites to silky Pinot Noirs and fuller-bodied reds, each wine is chosen to complement our Mediterranean-inspired menu and relaxed, all-day dining style.
